

McMaster Family Health Team

Supporting older adults every day

The McMaster Family Health Team (MFHT) consists of two teaching clinics: McMaster Family Practice located downtown Hamilton, and Stonechurch Family Health Centre, located on the Hamilton Mountain.

Our primary care teams of physicians, nurse practitioners, physician assistants, nurses, pharmacists, social workers, physiotherapists, occupational therapists and other skilled clinic staff journey with people through health and illness in all stages of life, and are privileged to serve so many in Hamilton and surrounding communities.

Specialized care for older adults:

- Memory Clinics
- Health TAPESTRY
- TAPER
- Primary Care in Long Term Care Settings
- Healthy Aging Series
- Focused training to provide Advanced Care Planning for all patients and their families
